POST: STUDENT TRUSTEE

A student here for 4 years, I am best suited to get your vote because;

- I understand the Union democratic structures.
- I understand students should be at the heart of all Union decisions; I am committed to ensuring this is followed through as a Student Trustee.
- I believe in unity and will make positive contributions to the Union as a Student Trustee.
- I already invest a lot of time in the Union, I am well-known in the student community and will represent students.
- I am responsible and not afraid to represent the student's voice.
- I have extensive knowledge in accounting.
- I am an effective communicator and understand the legal duties of being a trustee

I adhere to Nolan's seven principles of public life which are: Selflessness, integrity, objectivity, accountability, openness, honesty, leadership. I have been taught that this is the way to be in order to be an effective Trustee.

I understand the importance and purpose of meetings, and am committed to preparing for them adequately and attending them regularly.

I can analyse information and, when necessary, challenge constructively.
