

## **PLAYING UNDER PROTEST**

BUCS has introduced a 'Playing under Protest form. Each Captain should be in possession of a copy of this form at each game. The form should be used as soon as an issue arises, whether before, at the start or during a fixture. The reasons for playing the fixture under protest must be stated and the form signed by both Captains. If an opposing Captain hands you a form read it, write your comments on it and then sign the form.

**N.B. - A TEAM WHO HAS BEEN MADE AWARE OF THE SITUATION AND STILL PLAYS WITHOUT SIGNING IS DEEMED BY IMPLICATION TO HAVE ACCEPTED THE CONDITIONS OF THE MATCH AND WILL THEREFORE HAVE NO RIGHT TO APPEAL.**

If for some reason you feel you have the right to appeal against a result, then the Student Activities Co-ordinator will contact BUCS only if this form has been completed and handed in with the score card.

It is then the responsibility of the Student Activities Co-ordinator and the team captain to write a report and fax or email it to BUCS by **5.00pm** the next day. (BUCS will not deal directly with team captains). ALL communication must be through the Student Activities Co-ordinator.

**NB: NO APPEAL WILL BE CONSIDERED BY BUCS IF PRESENTED MORE THAN 24 HOURS AFTER THE MATCH HAS CONCLUDED.**
